William J. Frank, Esq.  
1st. National Bank at Pittsburgh  
Pittsburgh, Pa.

Dear Sir:

Replying to your favour of February 14th, our exhibits were confined to our own building and our rules do not allow our material to be displayed elsewhere. The Exhibitions at the Chatham & Phenix Banks were under the auspices of the American Numismatic Association, and were contributed by various collectors here in New York. I am forwarding your letter to the President of the Association and he will reply to you further. There is a local numismatic Society in Pittsburgh, and he will probably communicate with them as well.

Very truly yours,

Curator
